Re: Richard Armour Knight

Dear Dan:

A man by the name of Richard Armour Knight has been arrested in Marin County, California on charges of contributing to the delinquency of minors and failure to register as a convicted sex offender.

Mr. Knight was serving as in Neighborhood Commissioner in both the Marin County Council and the San Francisco Bay Area Council, and at the time of his registration through the San Francisco Bay Area Council, he possessed an unexpired registration card with the South Florida Council, Troop 13, where he had been serving as an Assistant Scoutmaster.

Current information indicates that it was a Florida conviction in 1961 for sex violations which is the cause of booking him on failure to register as a previously convicted sex offender.

Could you, or any member of your staff, furnish us any information concerning Richard Knight? Enclosed is a confidential record sheet which we would appreciate your filling out to the best of your ability and returning it to us as soon as possible. Your help will be sincerely appreciated.

Dear Sirs:

We have been advised by the Sheriff's Office of Marin County that Richard Armour Knight has been booked in the county jail on the charge of contributing to the delinquency of minors and failure to register as a convicted sex offender.

I am sending along photostats of the newspaper article which appeared last week in the Independent Journal, a daily newspaper which circulates in Marin County. We will watch for further developments at the Marin Municipal Court. However, may we suggest that you contact the South Florida Council, inasmuch as the Sheriff's Office here states he was convicted in Florida in 1961 for sex violations.

This man should be placed on the Confidential File. He is currently registered as a Neighborhood Commissioner in our Golden Acorn District. We have contacted him and requested he return his registration card and all cards identifying him with the Scouting program. And, of course, he has been dropped from the Commissioner Staff.

His mailing address is 555 Buena Vista West, San Francisco; business phone 832-7600; home phone 626-6657. He has been registered as a Neighborhood Commissioner, which registration was due to expire June 30. He works as a Sales Representative for Remington Rand; is not married, is 30 years of age; is a U.S. citizen; and at the time of registration as a Neighborhood Commissioner in December 1965, he possessed an unexpired registration card with the South Florida Council, Troop 13, where he was serving as an Assistant Scoutmaster. He indicates a religious preference of Protestant.

Would you kindly forward appropriate forms for identification normally used. In the meantime the possession of the above facts, plus photostats, plus your own inquiry of South Florida Council should help to document this file more accurately.

Very truly yours,

Jack M. Perz

Richard Armour Knight, 30, was booked in county jail last night on charges of contributing to the delinquency of minors and failure to register as a convicted sex offender.

Harvey Teague, sheriff's juvenile inspector, who arrested Knight at his home at 5 Bay View Street, San Rafael, in cooperation with San Rafael and San Anselmo police, said Knight allegedly has been urging youths to pose in the nude for an escort for older women magazine.

No photographs are known to have been taken, however, Teague said.

Knight, a bachelor, is charged with contributing to the delinquency of a 16-year-old boy in Woodacre in March, and with two other counts.

Officers said he also allegedly approached youths, often service station attendants, to persuade them to sell advertising space in publications.

According to district attorney's files, Knight was convicted of sodomy in Florida in 1961, and failed to register in Marin County.

Dear Mr. Dunn:

Your letter of April 22, addressed to Mr. Wilson, concerning Richard A. Knight, has been referred to me for reply as our service handles matters of this nature.

We have placed this information in our files and have taken steps to have Mr. Knight's name deleted from the Council Roster. However, in checking our files, we find no record of Mr. Knight being currently registered as a Neighborhood Commissioner in your Council. We do find him registered in the San Francisco Bay Area Council. Is it possible that he may have been serving in your council in an unregistered capacity.

Enclosed is a confidential record sheet which we would very much appreciate your filling out and returning to us as soon as possible, together with any substantiating documents that may be available, such as copy of police record, statement from the boys involved or the parents of the boys, or any newspaper clippings pertaining to this matter.
